Sir / Madam / Miss, applicants

N° Ref. 001 / NWA / SA / SP / 2023

SUBJECT: INVITATION TO THE BOOTCAMP 2023, 7th edition

Dear applicants,

We come respectfully to inform you about the our bootcamp training of the year 2023 and the **NEW WORLD AFRICA education platform** designed with effectiveness by our team for the purpose of future of education system improvement in **AFRICA**.

A bootcamp is a short period training during which the mindful applicants can acquire powerful knowledge giving them a strong base that can opens professional doors for him/her to get a job or to become an entrepreneur.

Knowledge process is gradual; do not expect to become professional immediately after the bootcamp is over but already you can dive deep alone in all you learnt and other contents of do your researches to get more understanding. Aside we offer you the best and the right mentorship to apply to **TEF (Tony Elumelu Foundation)** challenge, **ABH (African Business Heroes)** and more, IT opportunities with the in on our projects or with partner companies.

This form of training has been adopted by "**NEW WORLD AFRICA**" to respond to the first mission: **Upgrading Africa's digital administrative system and contributing to the fight against cybercrimes in Africa.**

Every year we define a roadmap of physical camp called **NWA Bootcamp** in different countries with a single or multiple locations in each country to offer the privilege to the applicants to meet their trainers in person aside the online camp. We educate on future knowledge and train people on how to make use of new technologies and leadership to make their daily live easy and to adapt themselves to the fast change.

Who can participate?

Everyone that has interest in acquiring future knowledge or to make money online or innovate new technology or elaborate new science standard are eligible to register under the platform. All you need is a smart device (laptop, desktop or tablet). The camps are open everyone in the age from 12 to 65 years and plus.

What do you gain?

At the end of a bootcamp you get a certificate that you can use to apply for a job, we also offer you IT opportunities, freelancing job, remote job locally or in abroad, a mentorship certain to help you create your own startup as entrepreneur. We also help you to discover and enroll in fund raising events, crowdfunding and link you or help you to sell your projects to a company.

Who are we?

We are a team of youth AFRICAN leader and passionate from different domains and countries with the mindset to create a **NEW WORLD AFRICA.**
